

EURASIAN ECONOMIC UNION DECLARATION OF CONFORMITY

Applicant SELECTRIC LIMITED LIABILITY COMPANY

Location (legal entity address) and business address: Building 6A, Lenin Square, Astrakhan, Astrakhan City District, the Astrakhan Region, 414000, Russia. Primary State Registration Number: 1243000005423.

Phone: +74993908080 Email: Info@selectric.ru

represented by Director Aleksandr Mikhailovich Saushkin

declares that the Technical Devices for Predictive Diagnostics and their component parts: STP-IG Industrial Gateway Temperature Monitor and STP-S1 and STP-S3 Temperature and Humidity Sensors. Manufacturer: Selectric (Shanghai) Electric Co., Ltd.

Location (legal entity address) and manufacturing location: Floors 2-5, Building 4, Beishan Industrial Zone, Yantian District, Shenzhen City, China

EAEU Commodity Nomenclature of Foreign Economic Activity Code(s): 8517620009

Serial production

complies with the requirements of

Technical Regulations of the Customs Union "On the Safety of Low-Voltage Equipment" (CU TR 004/2011)

Technical Regulations of the Customs Union "Electromagnetic Compatibility of Technical Equipment" (CU TR 020/2011)

Declaration of Conformity adopted on the basis of

Test Report No. IL05OS-021301 dated 09.06.2025, issued by the Testing Laboratory of KASKAD LIMITED LIABILITY COMPANY (TL OOO Kaskad) (registration number of the accreditation certificate ROSS RU.33039.IL05OS)

Declaration of conformity scheme: 1d

Additional information

The requirements of the technical regulation are met through the voluntary application of the following standards: GOST 12.2.007.0-75 "Occupational safety standards system. Electrical products. General safety requirements" and GOST 30804.6.2-2013 "Electromagnetic compatibility of technical equipment. Immunity to electromagnetic interference of technical equipment used in industrial zones. Requirements and test methods," GOST IEC 61000-3-2-2021 (Sections 5 and 7) "Electromagnetic compatibility (EMC). Part 3-2. Standards. Limits for harmonic current emissions (equipment with an output current not exceeding 16 A per phase)", GOST IEC 61000-3-3-2015 (Sections 4 and 6) "Electromagnetic compatibility (EMC). Part 3-3. Standards. Limitation of voltage variations, voltage fluctuations and flicker in public low-voltage power supply systems for equipment with a rated current not exceeding 16 A (per phase), connected to the power supply network without special conditions."

Storage conditions for products in accordance with GOST 15150-69 "Machines, devices and other technical products. Designs for different climatic regions. Categories, operating, storage, and transportation conditions in terms of exposure to climatic factors of the external environment, the shelf life (service life, expiration date) is specified in the accompanying and/or operational documentation supplied with the product. The declaration of conformity applies to products manufactured from the date of manufacture of the selected product samples (tests) that have undergone research (testing) and measurements, as specified in the sampling report(s).

The declaration of conformity is valid from the date of registration through 10.06.2030 inclusive.
